

CHEMICAL SUPPLY IMPROVEMENT

Scope Statement

By Douglas Masuzzo & Derik de Nóbrega

INTRODUCTION

Current Issue: Lack of reagents and poor inventory management.

Objective: Improve the availability of **chemical reagents**.

Deadline: December next year.

Firstly

Analyze reagents and
Identify materials.

Then

Control quantities
and dates.

Then

Make a restocking schedule.

Finally

Monitoring and Updating the inventory.

THE RESULTS WILL...

**Improve
practical
classes and
lessons.**

**And help
students and
teachers.**

**THANK YOU FOR
YOUR ATTENTION**
